2021-22 School Overview

Buljan Middle School opened in 1994 and is located in the Roseville City School District within the city limits of Roseville, California. Buljan is one of twenty schools in the district and serves students in sixth, seventh, and eighth grade. Over the years, Buljan has grown in student population from 458 students when it opened to a current enrollment of 866 students. Buljan's school vision is that all students can learn at high levels. Buljan Middle School's mission is to provide a safe and positive learning environment, to encourage students to think critically and to inspire all students to take advantage of the opportunities afforded them both in and out of the classroom. Buljan Middle School prides itself on offering a challenging academic curriculum and providing students with opportunities to enrich their school experience through participation in athletics, music programs (band, production, guitar), student leadership (ASB and WEB), yearbook, drama, computer science, performing arts, various clubs and fitness (including intramurals). Buljan also uses Positive Behavior Intervention and Supports (PBIS) as a school-wide proactive and positive approach to behavior, which outlines school-wide expectations and encourages students to follow the "BARK" rules (Be Safe, Accountable, Respectful, and Kind).

In 2004, Buljan Middle School was named as an AVID (Advancement Via Individual Determination) National Demonstration School and in 2009, Buljan was recognized and selected as one of only a handful of California Distinguished Middle Schools. In 2018, Buljan was re-validated as a School Site of Distinction for AVID. In the 20/21 school year, the California PBIS Coalition recognized Buljan Middle School for successful PBIS implementation at the GOLD level for their excellence in the implementation of the core features of PBIS.

Buljan Middle School offers a comprehensive middle school curriculum that includes accelerated math courses, advanced English classes, pre-AP social science classes, AVID and AVID Excel classes, programs to support English Language Learners (ELL), support for students in special education, and a STEP period for intervention and enrichment opportunities. In addition to academic classes of English Language Arts, Mathematics, Social Studies, and Science, students have the opportunity to choose from a variety of elective courses and physical activities each day. Buljan is "Home of the Bulldogs" and is a member of the Foothills Interscholastic Athletic League (FISAL) and offers competitive sports throughout the school year, which include cross country, flag football, girls and boys volleyball, girls and boys basketball, wrestling, and track and field.

Buljan's school goals are aligned with RCSD Board and district LCAP goals. The following school goals and the action plans are outlined in Buljan's School Plan for Student Achievement.

2021-22 School Overview

School goal #1: Increase the overall number of students of meeting or exceeding standard by 4% from 2021 on iReady Reading Window 2 (through Feb).

School goal #2: Increase the overall number of students of meeting or exceeding standard by 6% from 2021 on iReady Mathematics Window 2 (through Feb).

School goal #3: 80% of George Buljan Middle School students will earn a BARK buck once per week and 80% of 6th graders and new students will feel supported by WEB.

School goal #4:Every English Learner will gain a minimum of one proficiency level (ELPI) per year or be reclassified.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
 - Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <u>https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp</u>

2019-20 Teacher Preparation and Placement

2019-20

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Roseville City Elementary held a public hearing on September 9, 2021, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

General

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the Maintenance Office.

Maintenance and Repairs:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District annually inspects wheelchair lifts, tests fire extinguishers, inspects and services all playground backboards, replaces bark on playgrounds and landscaping, and services HVAC units.

School Facility Repair Status:

Overall Summary of School Facilities Repair Status- Good

The inspection included a check of possible gas leaks, mechanical systems, interior and exterior doors and windows, interior surface areas, structural damage, electrical, playground equipment, and hazardous materials. In all areas this school passed inspection.

Cleaning Process and Schedule:

The District has adopted cleaning standards for all schools in the District. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget:

Year and month of the most recent FIT report

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollarfor-dollar basis, to assist school districts with expenditures for major repairs or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
 - Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents play a very important role at Buljan Middle School. An active partnership is encouraged through their participation and involvement in School Site Council (SSC), Parent Teacher Club (PTC), Band Boosters, English Learner Advisory Committee (ELAC), various annual events, and regular volunteering of their services in various capacities. Buljan's PTC helps coordinate their main fundraiser, a fun run in the spring, to raise money that supports special activities like teacher appreciation week. In addition, our Buljan PTC provides special supplies as requested by teachers.

Buljan fosters a source of pride for students and parents. The school enjoys a stable community with values that support our many outstanding programs. Buljan Middle School provides students and parents with real time access to student academic and learning behavior progress throughout the school year. Buljan uses a variety of communication platforms to ensure accurate and efficient home communications including a District wide messaging system and social media. Parents wishing to become involved in the Buljan community are encouraged to contact the school at https://buljan.rcsdk8.org/, or call (916) 771-1720.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The safety committee at Buljan Middle School has developed a Comprehensive School Safety Plan outlining the procedures to be followed in the event of an emergency affecting the school site. The plan includes procedures for coordinating resources to respond to any emergency including natural disasters, environmental health issues, accidents, or intruders. The staff has been assigned roles and trained to work efficiently with each other and with other public service officers to ensure the safety of students and staff. Evacuation and lockdown drills are practiced on a regular basis and all students and staff members are updated on safety practices. Buljan's Comprehensive School Safety Plan is updated annually by the School Safety Committee and approved by Buljan's School Site Council each school year.

2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). 2020-21 Types of Services Funded

In order to promote the social, academic, and emotional needs of our students, Buljan's school goals focus on three identified areas of need including increasing reading and math performance of all students, providing a safe and positive learning environment for all students, and ensuring the growth of all English learners.

In order to improve curriculum and instruction, funding and services have been designated for training and implementation of the Science, Technology, Engineering, and Math (STEM) program, training and implementation of the Advancement Via Individual Determination (AVID) program, common core support materials, Pre-AP History program, and an Accelerated Math program.

In order to help provide a safe physical and emotional place on campus for all our students, funding and services have been designated to continue to support the Positive Behavior Intervention and Supports (PBIS) three-tiered framework by renewing the PBIS license, CICO supports, and purchasing rewards/incentives.

Funding and services have also been designated for assessment and instruction in reading and mathematics. iReady content purchased for this purpose includes a comprehensive assessment platform along with digital curriculum and reporting functioning.

2021-22 School Accountability Report Card

Professional Development

In alignment with the Roseville City School District board goals, the Professional Development Advisory Committee (PDAC) plan was developed to create a comprehensive three-year professional development plan for the District. Training is provided to administrators and teachers that align with this plan during four professional development days. In addition, the school sites are provided three additional professional development days to focus on school site goals.

Other areas of professional development at Buljan include release time and professional development provided to teachers in content areas to provide support and training in the full implementation of the Common Core State Standards, assessments, and lesson planning/development. Site wide implementation of AVID WICOR strategies have been a focus of site professional development days. Also included in site professional development days were workshops on the following: Google Apps implementation (Google Classroom, Google Docs, etc.) to enhance student learning using 21st century technology, PLC's revisited, EL support strategies from ELD staff, Restorative Practices and Mindset concepts. In addition, site staff have attended AP Collegeboard workshops as we continue to implement Pre-AP course offerings in Social Studies.

PLC teams meet once a week to align practices regarding assessment, curriculum and instruction. Throughout the year, PLC teams analyze district assessment data from the district Writing and Math assessments. The PBIS team is rebooting the PBIS program by participating in Year Two training in order to analyze and improve site practices. The PBIS team have attended on-going county wide professional development trainings in the implementation of the PBIS program with the focus this year on putting systems in place for intervention and positive student recognition. In addition, a small team of administration and teachers, attended a PLC Summit in order to refine our current PLC practices.

This table displays the number of school days dedicated to staff development and continuous improvement.

Roseville City School District 2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
