Code of Ethics for Athletics and Cheerleading

Participation in athletics/cheerleading activities, as in any co-curricular activity, is a privilege not a right. Any student-athlete who wishes to be a member of an athletic team/cheerleading squad must meet all requirements academically and must follow school rules and regulations. Acts of disrespect or defiance toward a coach, assistant coach, parent volunteer or parent supervisor, or other team members may result in temporary or permanent suspension from the athletic team or cheerleading squad.

- Behavior displaying a failure to obey training rules, a continued lack of effort, a negative attitude or conduct detrimental to the welfare of the team/squad, insubordination, etc., are also grounds for dismissal.
- Drinking, smoking or drug use are causes for immediate dismissal from the entire athletic program.
- The coach/supervisor may also exercise his/her judgment in recommending to the Assistant Principal that participation in a particular sport would be dangerous for an individual.
- An athlete/cheerleader who quits or is dismissed from one team is not allowed to try out for another sport/activity until the season of the first sport/activity is completed. If an athlete is cut from one of the teams, he/she may go out for another sport immediately.
- In order to maintain integrity, all members of a team are treated as integral parts of a cooperative venture with the same rules and regulations applying to all.
- Students who wish to participate in school-sponsored sports that have similar or overlapping seasons or a school-sponsored sport and cheerleading may do so only if the student can meet the commitment of consistent attendance at practices and games of both sports or cheerleading and the sport.
- Coaches and cheerleading advisors shall have the authority of determining if the student's request for dual participation will work and the ability to decide whether a situation that has been approved is to continue or if a change is necessary.
- In the event that issues arise which cannot be resolved between coaches, advisors, and/or parents, the principal shall make the final decision.

Athletics, Cheerleading Eligibility

In order to tryout or participate in any team sport students must meet the following requirements:

1. No student may participate if they are below the passing standard in any two classes. (below 70%).
2. A student must be academically eligible as of the most recent official grading period in order to participate in tryouts. Once selected, grade checks will be conducted at official grading period.
3. In order to participate, a student must have at least 85 merits and not on a probationary contract.
4. Any student assigned to A.L.C. is ineligible to participate in any and all extracurricular activities until the A.L.C. assignment is completed. Students involved in sports are not excused from detention because of a practice or an athletic event.

Dear Parents:

Our distance runners put in a great deal of effort to improve throughout the season. As part of their training, they take long runs on pre-set off-campus routes. These make practices more enjoyable and give the runners opportunities to run on different terrain. Can't wait to see you at the meets!!!

I understand, acknowledge and agree to off campus running (cross country/track sports only)
