WELCOME to Buljan Middle School!

Buljan Middle School is a school where ALL students can have success in the classroom and be well prepared for the demands of high school. Our hard working staff is caring and understands these years are often the most challenging for families and yet, are also the most rewarding. They have dedicated their careers to offering a first class educational experience.

At Buljan, students have the opportunity to participate in a challenging academic experience as well as a host of extra-curricular activities. As a National Demonstration School for AVID, our school practices site-wide AVID strategies that support success for all students. Our student body is a community that is rewarded for academic achievement, school spirit and citizenship. Buljan is a very special place and I feel lucky each and every day that I have the opportunity to serve as Principal.

Why Choose Buljan Middle School?

- We are a National Demonstration School for **AVID (Advancement Via Individual Determination)**. Demonstration Schools undergo a rigorous validation process and are required to be revalidated every few years to ensure high levels of implementation with quality and fidelity to AVID strategies. The AVID College Readiness System (ACRS) accelerates student learning, uses research-based methods of effective instruction, provides meaningful and motivational professional learning and acts as a catalyst in creating high school, college and career.

"For me, AVID is about organization, taking good notes and being prepared for what's coming next... Like high school, college and life."
-Buljan Student

"I love the student government program at Buljan. It allows the students to learn lifelong leadership skills and learn how to work as a team. It has helped both my kids during their time at Buljan."
-Buljan Parent

- We are a California Distinguished School.
- We implement school-wide **PBIS (Positive Behavior Interventions and Supports)**. PBIS is a proactive approach to establishing the behavioral supports and social culture needed for all students in a school to achieve social, emotional and academic success.
- We are known for our strong GATE program (Gifted and Talented Education).
- We are STEM focused (Science, Technology, Engineering & Math).
- We provide great student leadership opportunities.
- We have talented staff who are committed to preparing students for high school, college and beyond.
- Students love our Intramural Sports Program at lunch.
- We offer a districtwide elementary music education program with funds provided by the Roseville City School District Foundation (RCSDF).

NEW!

Where Everybody Belongs (WEB) program

WEB is a program that offers support to new students in the areas of mentoring, social and academic well-being. WEB leaders are 8th grade students who are paired with 6th grade students and together, they meet for one year with the goal of easing the transition from elementary to middle school. The program also helps to grow students into leaders!
